[www.totnesallotments.org.uk](http://www.totnesallotments.org.uk)

The Totnes Allotments Association was formed in 2007 to campaign for and manage allotments in Totnes.

Currently we manage three sites

- The Castle Meadow site: statutory council allotments on land leased from the Town Council.
- The Kingsbridge Hill site: owned by a group of trustees on behalf of the Allotments Association.
- The Copland Field site: land on a ten year lease from the Dartington Hall Trust.

**If you are interested in having an allotment in Totnes, you can put your name on the waiting list by joining the Allotments Association.**

Annual membership is currently £5.00, which includes an affiliation fee to the National Allotments Society (NAS).

Membership is for each calendar year and is renewable each February.

To join please complete the form.
